Subject: Intent to collaborate between EVA and KK Holding LLP

This Memorandum of Understanding is made on August 18h 2020 between Electric Visionary Aircrafts S.A., hereinafter referred to 'EVA', with registered offices at 29 Norman Ave, A/D/O, 11222 Brooklyn NY, USA, and KK Holding having its office registered at B206, Kotia Nirman, Andheri West, Mumbai-400053. (hereinafter referred to as **Partner**). Both together referred as "partners", for the purpose of collaborating together to develop a joint solution in future projects and tenders.

WHEREAS EVA and KK Holding desire to enter into an agreement in which the partners will work together to create a joint solution (the "solution") including both partners technology to be offered to third parties or customers.

AND WHEREAS EVA and KK Holding are desirous to enter into this Memorandum of Understanding between them, setting out the working agreements that each of the partners agree are necessary for the solution.

Purpose: The purpose of this Memorandum is to provide the framework for any future binding contract regarding the solution, between EVA and KK Holding.

Obligations of partners: The partners acknowledge that no contractual relationship is created by them in this Memorandum of Understanding agreement but agree to work together in the true spirit of partnership to ensure that there is a united, visible and responsible leadership of future projects and to demonstrate financial, administrative and managerial commitment to these future projects by means of the following individual services.

About EVA

Eva builds high throughput drone docking stations for healthcare logistics, disaster relief and other UAV operations. We have developed the world's largest drone-charging-station, which supports drone service providers in their missions, by providing necessary charging-facilities, storage, and control mechanisms. EVA's stations ultimately serve as the connecting node between sky and ground to enable secure drone operations.

About KK Holding LLP

KK Holding is the limited liability partnership firm which intend to promote, marketing, planning, advertising, endorse the products of the EVA.

Scope of Collaboration

Through this MOU both partners will jointly develop pricing and integration of their technologies to create a full end to end solution. This solution will feature both EVA's landing stations and KK Holding integrated unmanned aerial solutions for industrial use-cases.

The activities and services for the projects shall include but not limited to:

a.) Services rendered by EVA include:

- Share the existing price offer of their solution
- Share technical specs of the charging station
- Develop a list of requirements for the drones to be integrated and to interact with the EVA system
- Support KK holding to pursue business opportunities for sale of KK Holding products & services by making suitable introductions to potential customers, at EVA's sole discretion
- Promote KK Holding products & services via press release(s) on EVA's website, appropriate mentions in marketing collateral, email communications, etc. at EVA's sole discretion

b.) Services rendered by KK Holding include:

- Promote the business module of the EVA through all appropriate means including but not limited to branding, marketing, advertising, media promotion.
- Formulate the necessary planning, marketing strategies, and make the best endeavour to make the said collaboration successful.

Furthermore,

- Jointly share all the trade secrets and understand the technology and its marketing strategies.
- Each party assist each other party, in order to promote and understanding the specification in all manner, in lieu of the products and its related services
- Apart both parties in acquaintance with other formulate strategies, in lieu of or to promote the product within the geographical boundaries of India and Sri Lanka.
- In case of dispute between the parties such shall be resolves through Mediation, in case mediation fails then both parties can opt the method of Arbitration and Conciliation as per the UNICITRAL model, The medium of Arbitration shall be in English and the arbitration shall be governed as per the Indian Law. The venue of Arbitrator shall be at Mumbai.

Communication strategy:

Marketing of the vision of any media or other public relations contact should always be consistent with the aims of the projects and only undertaken with the public express of both partners. Where it does not breach any confidentiality protocols, a spirit of open and transparent communication should be adhered to. Coordinated communications should be made with external organizations to elicit their support and further their aims of projects.

Term: The agreement made by the partners in this Memorandum shall remain in place from January, 2022 for the period of 5 years or until any of the partners decides to terminate it by written notice to the other partner.

Signed on behalf of the participating organizations on 21st January, 2022.
